Dear Donor:

The Woodside High School Foundation will hold its 13th annual "Spring Into Auction" on April 24, 2010. The auction and dinner/dance, held at the Menlo Circus Club is the premier fundraiser for Woodside High School.

We are asking businesses and individuals in our community to help support Woodside's students by donating new items, services or underwriting for our event.

Given the forecasted reductions in education funding in California and the recent loss to the district in the county investment pool, WHS must, in these times, rely on the resources provided by the community in order to sustain many of its programs and initiatives such as, teacher development, small-group academic interventions and state-mandated, high-stakes testing administration and proctoring. In addition, the aim of our principal is to reduce the class size in core subjects by nearly 25%, subsequently reducing a teacher's case load from 165 to 125 students.

We know that this is a difficult time for many and that this is most definitely not the only request you receive. The success of our auction, thus the success of all of our students, depends on you and is one of the best investments you can make in our community.

Thank you, in advance, for your consideration and generosity.

Sincerely,

2010 Spring Into Auction Committee
